## Dope Testing

NADA conducts dope tests on sportspersons by way of collecting urine and blood samples during events and training camps. These samples are being collected by NADA empanelled qualified dope control officers, however, due to COVID 19, followed by lockdown in country, no dope tests could be conducted by NADA.

An interaction meeting cum training for NADA empanelled Lead DCO/BCO/DCO & Chaperone was organized on 18/5/2020 through video conferencing. Sample collection personnel were briefed about the mandatory precautions to be taken during the sample collection process in COVID-19 pandemic situation.
